

# Letton flood meeting

## We need your help!

Tuesday 19 November 7:00pm to 8:30pm  
at **Whitney on Wye Village Hall HR3 6EG**

Herefordshire Council are looking into installing a flood warning system in Letton on the A438.

As part of our investigations, we would like to gather as much local knowledge on flooding, as this will help inform any future design.

### Come to our meeting to:

- Share your local knowledge of flooding
- Learn more about the proposed plans
- Share photos of flooding in the area
- Work together to develop a solution
